

The **VIRTUAL** Conference Kit

A cancelled conference or event doesn't have to mean a cancelled experience. We can help you engage with your attendees in a different and memorable way: with our **Conference Kits!**

Our brand managers will pull together the perfect set of items for your message and our fulfillment team will kit the items together to send to each attendee. We can even build an online redemption portal so attendee information can be gathered for further outreach.

**GIVE US A CALL OR SEND US AN EMAIL
